---

Duke Energy Carolinas, LLC (“Duke Energy Carolinas” or “Company”) moves for leave to file direct testimony for Company witness Dhiaa M. Jamil, Executive Vice President Duke Energy and President Duke Energy Nuclear, in order to allow the witness to adopt the pre-filed direct testimony of witness John W. Pitesa. In support of this Motion, Duke Energy Carolinas respectfully shows the Commission the following:

On March 18, 2013, the Company filed its Application for Authority to Adjust and Increase Its Electric Rates and Charges, supporting direct testimony and exhibits, and Form E-1 data. The pre-filed direct testimony includes the testimony of Company witness John W. Pitesa.

After further consideration of and for efficiency’s sake, the Company respectfully requests that Mr. Jamil be allowed to adopt the testimony of Mr. Pitesa. Mr. Jamil is also testifying in the Company’s ongoing North Carolina rate case.

The Company proposes for Mr. Jamil to adopt Mr. Pitesa’s testimony in full (with the exception of the addition of Mr. Jamil’s Introduction and Purpose section as indicated on page 2, line 1 through page 6, line 3; page 16, line 3; and page 27, line 20 of Mr. Jamil’s testimony). The direct testimony of Mr. Jamil is attached to this Motion.

Given that Mr. Jamil would adopt testimony previously pre-filed with its Application in this docket, the Company asserts that no party will be prejudiced by this Motion.

WHEREFORE, Duke Energy Carolinas respectfully requests leave to file the attached direct testimony of Dhiaa M. Jamil in this proceeding.

Respectfully submitted this 5<sup>th</sup> day of June, 2013.
